

Outfit your business with the right payment program.

Your Payment Partner with Strategic Retail Expertise

Retail Council of Canada (RCC) could have partnered with any payment processor. RCC chose Chase Paymentech as the organization's exclusive partner to offer payment processing to its members.

That's because when it comes to offering the right payment solutions that are reliable and secure, nobody serves the needs of retailers better.

Chase Paymentech is your one source for payment processing with solutions and support for Visa®, MasterCard®, Interac®, Gift Card and online payments.

Help improve your bottom line with Chase Paymentech

As an RCC member, you can rely on our expertise to deliver retail-specific payment options that aim to help improve your point of sale and checkout processes.

Chase Paymentech's retail solutions are geared to address the unique needs of Canadian retailers through new and innovative technology and customer service.

As an RCC member, now is a great time to take advantage of our exclusive retail-specific program¹ that has been developed just for you.
