

# Largest Pillar-Free Ballroom Of Its Kind

Exceptional, impressive, pillar-free... The Toronto Congress Centre's new 30,000 sq. ft. ballroom.

The newly finished ballroom that joins The Toronto Congress Centre North Building, which opened in February of 2008, has a capacity for up to 2200 guests providing a perfect setting for meetings, general sessions, and exclusive galas. The modern clean design and the latest in brand lighting effects will provide something very unique to its planner.

#### Features Include:

- 30,000 sq. ft. of column free space with 22.5' ceilings
- Fully carpeted
- Divisible into 3 ballrooms
- Brand LED lighting effects
- Connects to over 60 meeting rooms and 10 exhibit halls

This is a tremendous opportunity to demonstrate the Toronto Congress Centre's expansive and highly flexible 1,000,000 sq. ft., exceptional levels of care and expertise, world class food standards and our unprecedented sustainability standards. Our dedicated team is embracing the opportunity to prove to the world why The Toronto Congress Centre has become renowned and rewarded for its ability to be Great Experience Makers®.
